

**Important Notification for our Australian Customers and Business Partners  
June 1, 2018**

We are pleased to announce the appointment of Drive Thru Solutions Pty. Ltd. as our newest HME Authorized Distributor and Service Agent for Australia. Drive Thru Solutions now represents HME's full line of drive thru audio and timing systems including the newly released EOS|HD high digital audio system and the HME ZOOM drive thru timing system.

Drive Thru Solutions has undergone thorough training in all aspects of the HME product lines and is now completely qualified to offer HME equipment and accessories for your restaurants. Additionally, Drive Thru Solutions is now fully engaged to provide you with the highest quality service, support, and repair for your existing HME equipment.

We are proud to welcome Drive Thru Solutions as an HME Distributor and look forward to a long and successful alliance between Drive Thru Solutions and our present and future customers in Australia. You can contact Drive Thru Solutions directly at their primary office at:
